SUBSTANCE OF INTERVIEW

Sir:

In the matter of the above entitled application for United States Letters Patent and in response to the Interview with the Examiner on January 6, 2006, pursuant to 37 C.F.R. § 1.33 and 37 C.F.R. § 1.2 please record the following substance of the interview.

Substance of the Interview April 14, 2004

A telephonic interview was conducted on January 6, 2006 between the Examiner, Brian Green and Applicant's attorneys, Adam W. Jones, an associate of Applicant's attorneys G. Brian Pingel and Camille L. Urban. Claims 11 and 19 were discussed.

Applicant suggesting removing the new drawing figure 6 and instead describing the securing means, clamps, and adhesive as well known in the art and not needing to be shown. The Examiner rejected this approach and reiterated that the elements in the claims must be shown in the drawings. Applicant responded by proposing an amendment to delete that the elements in the claims that are not shown in the drawing. Applicant further noted that such a change would broaden the claims and requested whether the amendment would be acceptable with such a broadening. The Examiner noted that the broadening of the claims may not be accepted as it may require a further search by the Examiner.

Respectfully submitted,

By:
